

NOTICE OF PUBLIC HEARING

NOTICE OF PUBLIC HEARING ON PROPOSED PLANS AND SPECIFICATIONS, FORM OF CONTRACT AND ESTIMATE OF COST FOR THE CONSTRUCTION OF ALLEYWAY IMPROVEMENTS FOR THE CITY OF HARTFORD, IOWA.

Notice is hereby given that the City Council of Hartford, Iowa, will meet at City Hall, 150 W Elm Street, Hartford, Iowa on the **18th day of March 2025 at 6:30 p.m.**, at which time and place a hearing will be held on the proposed plans and specifications, form of contract and estimate of cost for the Alleyway Improvements, in and for said City. Any interested person may appear at said hearing and file objections to the proposed plans, specifications, form of contract and estimated costs for said improvements.

The general description of types of construction and their limits for which bids will be received shall be as follows:

Construction of the Alleyway Improvements includes approximately 474 Linear Feet (LF) of 8 Inch HDPE Storm Sewer, 57 Linear Feet (LF) of 15 Inch Storm Sewer, 45 Tons Asphalt Overlay, 290 Linear Feet (LF) 6" HDPE Underdrain, 300 Square Yards (SY) of Permeable Interlocking Pavers, 530 Linear Feet (LF) of PCC Edge Restraint and other miscellaneous items required.

The project location commences at the intersection W Main Street and N Reynolds Street with the storm sewer outlet then goes south along N Reynolds Street to the Alleyway between Elm Street and Locust Street and goes East on the Alleyway to S Vine Street.

Plans and specifications governing the construction of the proposed improvements have been prepared by the Engineer. These plans and specifications, and the proceedings of the City referring to and defining said improvements, are hereby made a part of this Notice and the proposed contract by reference, and the proposed contract shall be executed to comply therewith.

Published upon order of the City of Hartford, Iowa.

CITY OF HARTFORD, IOWA
